

Green Walks – September 2022

Green Walks are about connecting with nature, exploring our beautiful spaces and discovering how good this can be for our minds and bodies. Each walk will last approximately 2 hours. Please wear suitable footwear and clothing, and bring a cold drink. Not all of the routes will be fully accessible for everyone or have public toilets and refreshments to buy.

All the walks are free and we would love to see you there. If you have any questions, please contact 01934 426086 or info@nspf.co.uk
